therapeutic mustard bath 350 g/12.25 oz

It's nothing to sneeze at!

The fine art of primping is a difficult task, especially when you're feeling under the weather. Simply run a hot bath, inhale and relax. The therapeutic properties of mustard go to work pulling nasty toxins from your skin, while the spirit of wintergreen, eucalyptus and rosemary surround you in a curative cape, leaving you feeling top-notch and ready to indulge your next girlish whim.

SOS extra rich body cream 225 ml/8 oz

*When your skin is sending out an SOS that says
"stop the flaking!" it's time to listen.*

Dry, chafed skin magically vanishes when a tried and true potion of macadamia nut oil, sesame seed oil and wheat germ oil starts to mollycoddle your needy skin. Smooth it on, and feel how quickly the SOS is called off.

Available in Ruby Red, Vanilla Shake and Georgia Peach scents.

slick oil massage & bath oil 225 ml/8 oz

Each leaves you irresistibly tempting to the touch. This instant performer is packed with skin-nourishing superstar oils: avocado, sweet almond, and apricot kernel to name just a few. However you choose to enjoy this velvety oil, you will be left with flirtatiously soft skin.

Available in Georgia Peach, Vanilla Shake and Hunny Mango scents.
